Press Release

New Delhi, 16 February 2016: DEN Networks Ltd, one of the Largest Cable MSO in India, announced that the Board of Directors have granted an in-principle approval for the following corporate action subject to regulatory and shareholder approval.

To Merge 23 Subsidiaries in the Cable Business DEN Broadband to Demerge Broadband Business into a Wholly Owned Subsidiary

Merger of 23 Subsidiaries in the Cable Business:

- ✓ Strengthening of the single brand leading to a stronger market presence, providing customers with a seamless on-board experience, and removing any other brand perceptions / distinctions in customers' minds;
- The structure will result in economies of scale and reduce administrative & regulatory compliances
- ✓ More focused operational efforts, realizing synergies in terms of compliance, governance, administration and cost synergies

Broadband Demerger:

- The Demerger will enable a focused attention on the ISP Business and achieve structural and operational efficiency, enhanced competitiveness and greater accountability besides accelerating value creation for shareholders.
- ✓ The separation will allow DEN to aggressively focus on the significant growth potential for high speed data and related services in India.
- ✓ DEN intends to take the lead in driving wire line broadband penetration in India.

Pradeep Parameswaran, CEO – DEN Networks said, "We are focused on creation of a distinct identity for each of our Businesses and the recent in-principle board approval is a step in this direction. This Corporate Structure will strengthen the Brand while also giving us an opportunity for shareholder value creation."
